

Please consider joining Band Boosters during our upcoming registration nights! This is a parent organization that supports our band! Through volunteering hours and fundraising efforts we provide many opportunities for our band students!

Central Band Boosters helps provide funds for:

- Meals at competitions
- Marching Techs, Drum Line Techs, & Color Guard Techs
- Marching Show & Drum Line Show
- The Band Trailer!
- Props for Marching Show
- Color Guard instructor (not a position covered by KISD)
- Percussion Assistant (not a position covered by KISD)
- Color Guard Visual Designs (props, flags, uniforms, etc)
- Website
- And more!

Our largest fundraising effort is through your membership in Central Band Boosters. That along with corporate sponsorships, spirit item sales, concessions sales (on home side, north end, under the band: during home games), restaurant nights, AT&T events, Bands of Keller 5K, & various other sales and events help to support our students

Multiple levels of memberships are available to help fit your family’s personal budget.

All of this would not be possible without your support. Please consider joining boosters and supporting your student and the other 220 plus band students. It takes all of us to provide the additional financial support that our band needs to be successful!

It’s a great group of people! Come join the fun be a part of the team!

**Keller Central Band Booster Association

**Something NEW:**

**GAME Day Meal Plan:**

This year we are offering boxed meals for each football game. The cost is \$80 if you are a member of the CHS Band Boosters or \$100 if not a member of the boosters. This will cover all 10 football games for the 2017 season. If you do not want to participate in the Game day meal plan you will need to send extra food or bring food to your student as they will not be allowed to leave campus before the games.

Contest meals will be part of the fundraising efforts of the booster club and will not be an additional cost.
