Officer Reports

Student Leadership

*Camille Jean reported that student leadership has been focusing on the tutorial program. They have set a goal as a band to get 100% of students passing. Student section leaders should be checking in with the students in their sections. There are two more weeks in this grading period to get grades up. Tutorials are Tuesday and Thursday mornings at 7:15 a.m.

*Seniors have been given the scholarship volunteer hour forms.

*Little Siblings: Seniors have been assigned to freshman buddies. Their job is to make the freshman feel at home and comfortable. Events are going to be set up to encourage the buddies to hang out.

Director's Update

*Mr. McNulty reported that the band will add the preshow at the Birdville competition this weekend. They are trying to use this first performance to make the band comfortable and confident.

*The band directors are happy with the new uniforms and the effect they have on the field.

*The directors are working closely with students to keep their grades up. If students are in danger of failing, they are required to come to tutorials.

*If the band makes State UIL, they will be San Antonio for 5-6 days. They will stay at the school during BOA and then move to a hotel. (State Prelims: Tuesday, State Finals: Wednesday morning)

Fundraising

Gina Root was unable to attend but sent the following report:

- Jewelry fundraiser will begin in a couple of weeks. Please consider participating, especially if you haven't paid your band bill in full.
