Officer Reports

Student Update:

- **Seniors are working on their gifts and we are working on creating powerpoint to help the new leadership team.**

Director's Update:

- Not much has changed, we are all still trying to figure out what is next.
- July 1 will be the date that will determine what next year will look like.
- We are all hopeful that everything will continue as normal, we have more show written and music. Props have been designed and we are working hard on our show for next year.
- There will be a time in the future when students can pick up their belongings.
- We need to pick up instruments from seniors.
- We have set the leadership for the 2020-2021 school year, we have a leadership meeting this evening.
- We have had great attendance with online classes.
- Fish camp will be on Aug. 7th for freshman students in the band.
- When we get the go ahead from the district, we will continue Tuesday band camp.

President's Update:

- We have asked for our \$3500.00 refund from the Bowden. It does not seem that it will be costly for us this year. We would NEED 400 students to buy tickets and at this time there are too many unanswered questions. We all voted it was best to cancel the banquet. We are working on a memorable way to celebrate our seniors.
- Fundraising, we are going to begin a sheet/towel fundraising sale. It is not mandatory for students to go out and sell, we are working on creating an online platform and scheduled deliveries. We should be ready to go on Monday and we will sell for 2-3 weeks.
- Cost will be \$40.00 for a set of sheets and \$40.00 for a variety of sets of sheets.
